

THE LAST DRIFTERS

OBJECTS IN THE REARVIEW MAY KILL YOU!

**Free Printable
Movement Template,
Tokens, and
Datasheets**

Requires The Last Drifters Main Rules

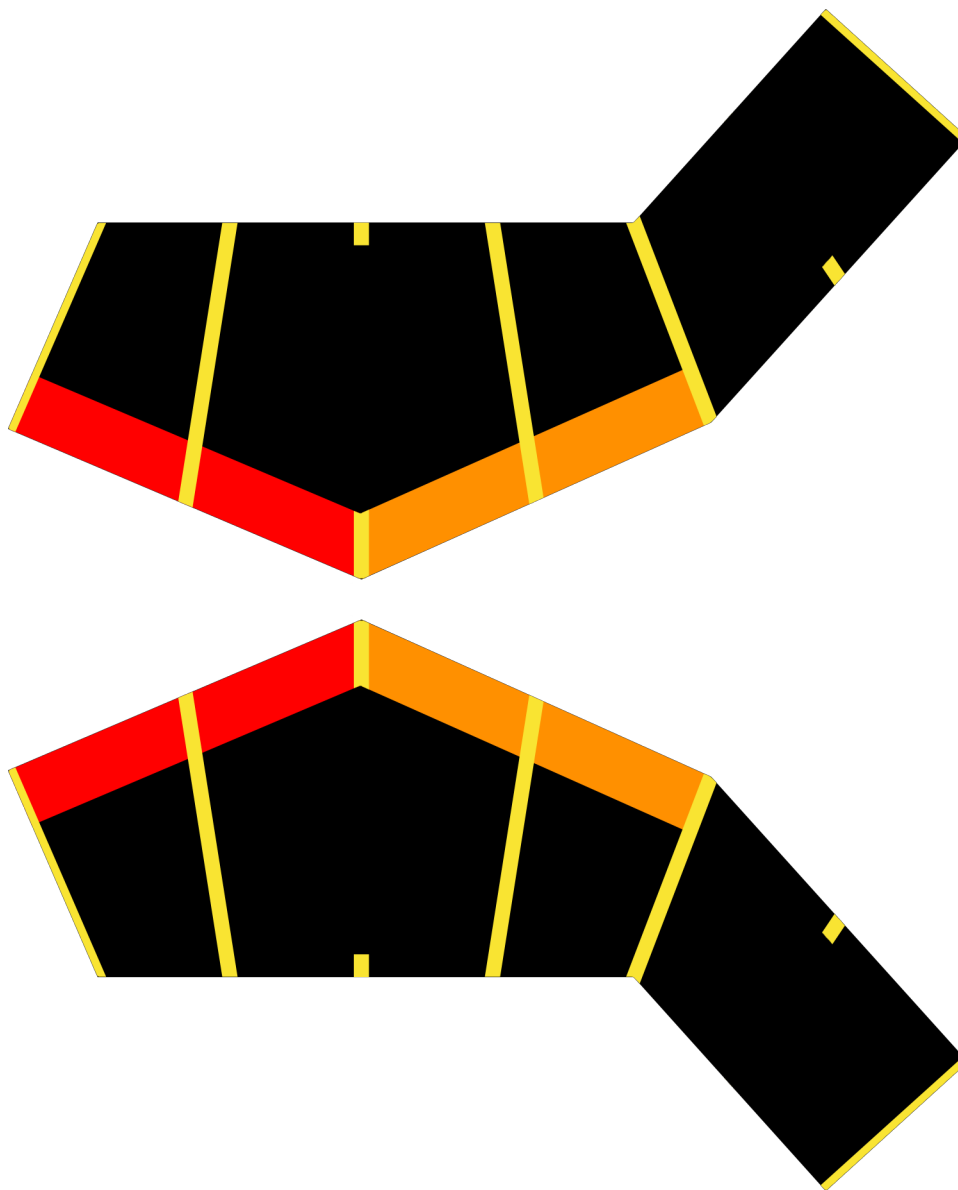

In this document, you will find the movement/fire arc template, markers, tokens, and datasheets to print out and utilize in your games of The Last Drifters. We recommend printing them and sticking them to card for better durability.

When printing on A4, please select 100% scale in the print options.

Simple Turn / Fire Arc Template

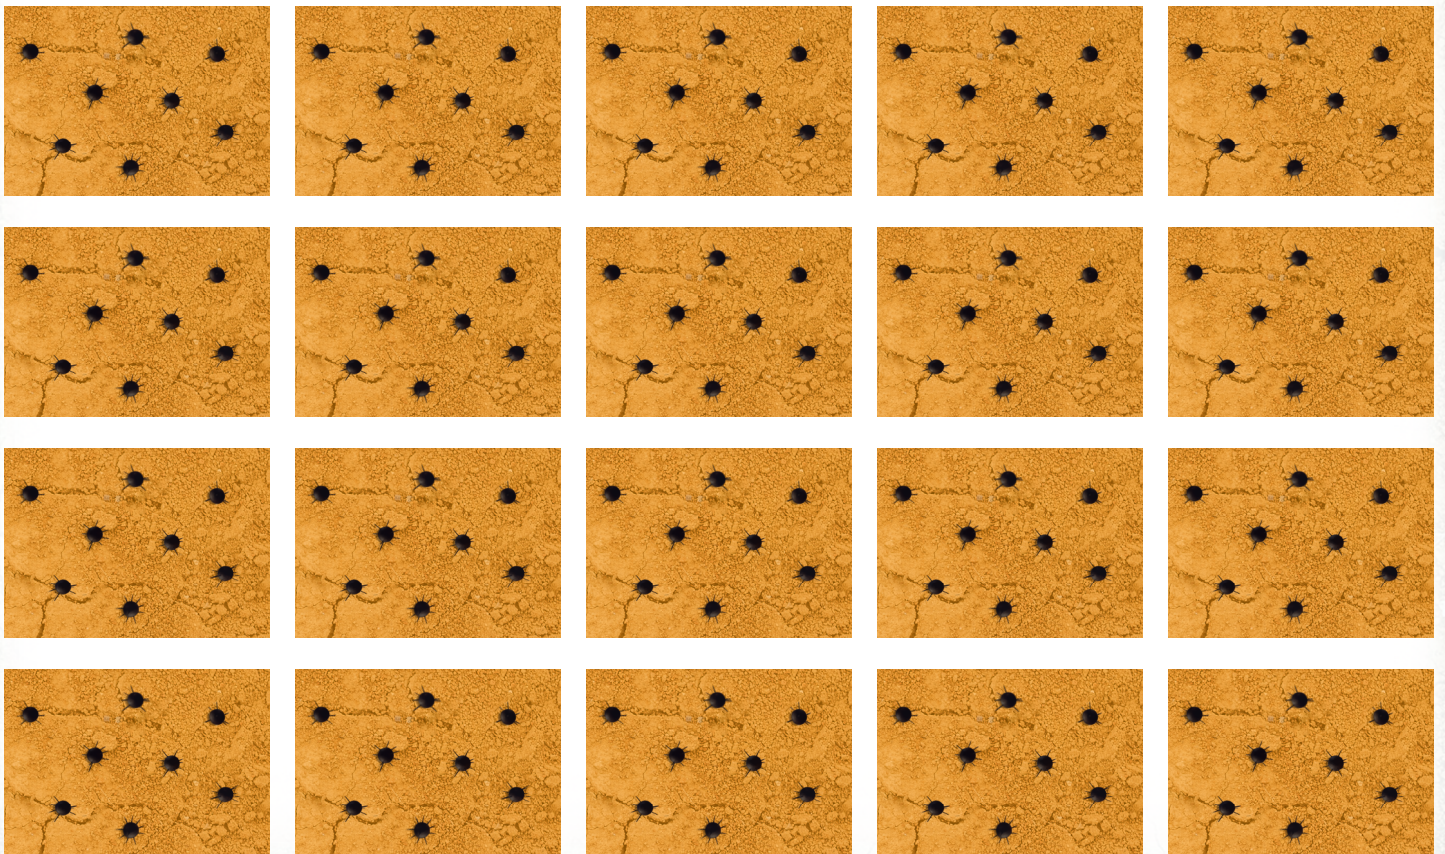

The four sections on the orange and red edges of the turn / fire arc template should each be 1" wide when printed.

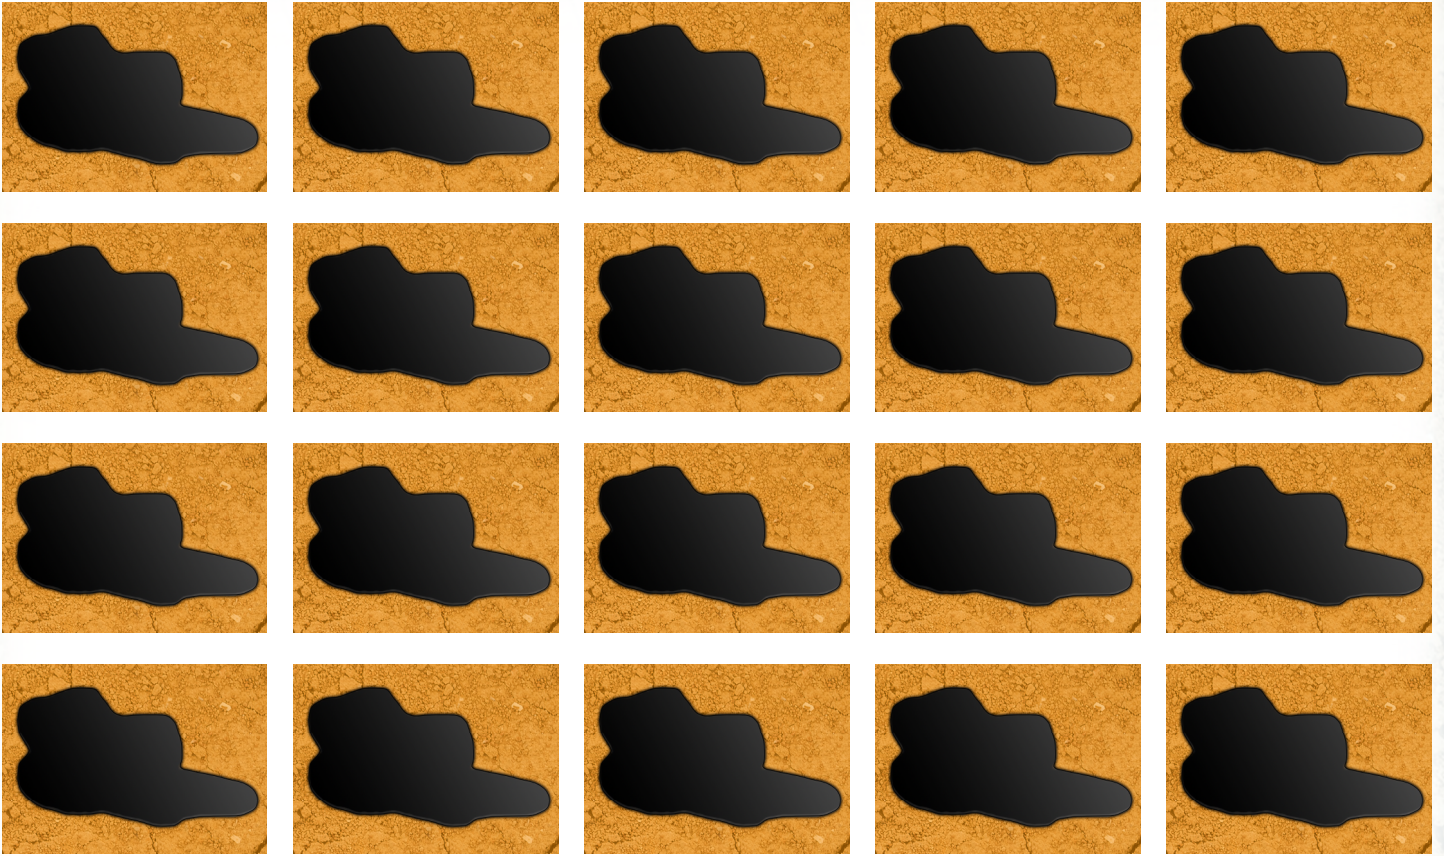

Smoke Markers

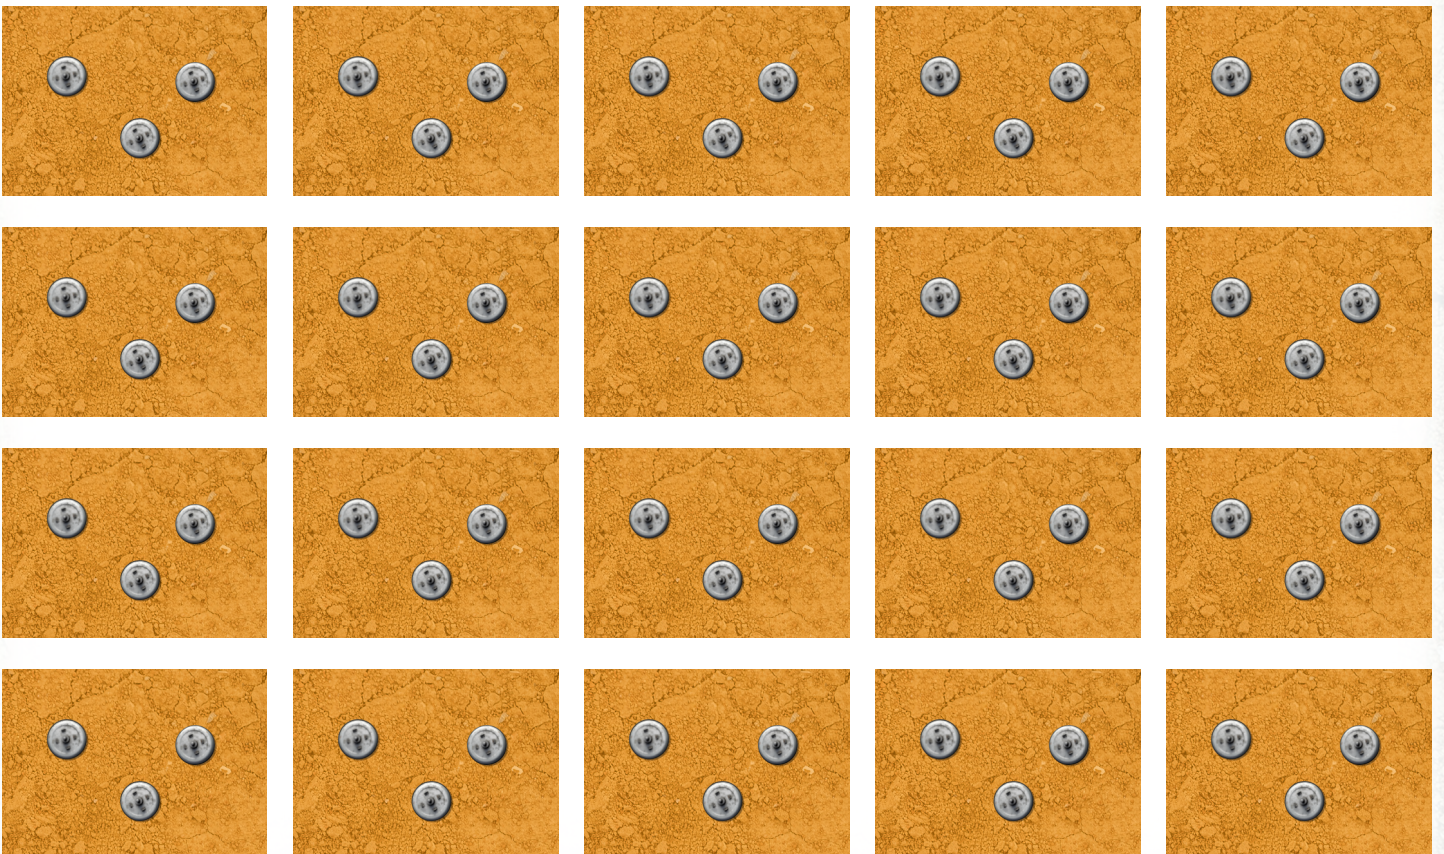

Spike Markers

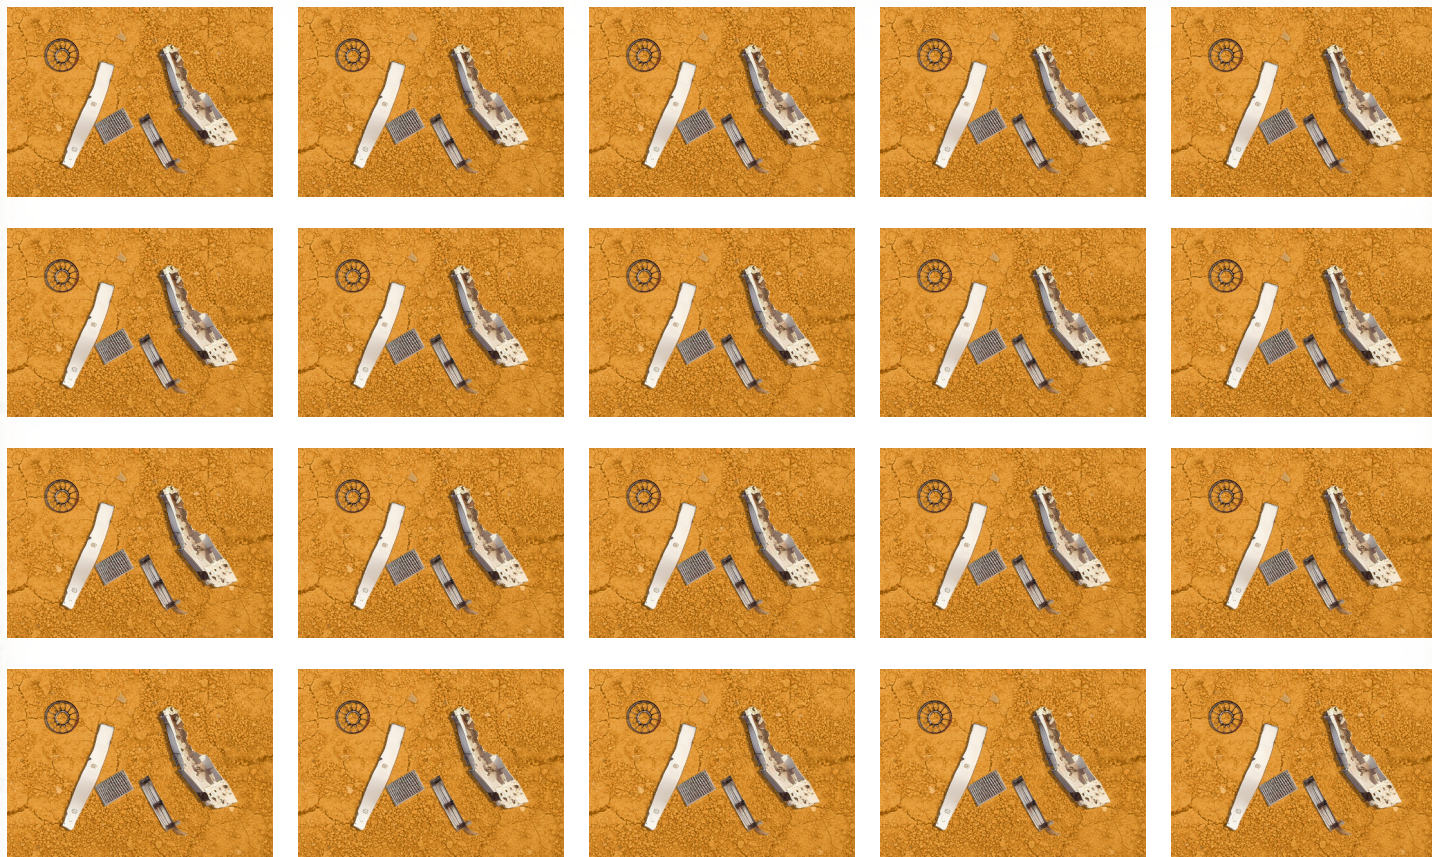

Oil Markers

Mine Markers

Debris Markers

Panic Brake Tokens

Blank Vehicle Datasheets

On the next few pages, you will find the datasheets for the vehicles used in The Last Drifters. These sheets contain the basic points and stats. They can be printed out and laminated, allowing you to use dry-wipe markers for tracking damage, speed, etc.
